INFORMATION • EDUCATION • LEGISLATION

CADF Clinic Report:

- Lana and Kimmy are working on dates for the 2019 clinic. We will also need a new Doctor and they are compiling a list of suggestions. In addition to heart and eye checks, it was suggested we add genetic testing and return to offering the Bayer testing.

Education Committee (Toby Hately, Merla Thomson, Linda Berrar):

- We will begin hosting “Education Nights” on the off-months of the CADF meetings. We will charge \$10 to attend and will offer a \$50 stipend to the speaker. Our first “Education Night” topic will be “Chiropractic Care” will be November 6 at 7 PM. Toby Hately will arrange the facility and speaker.
- An email will be sent out to CADF members asking for input on education topics. A Facebook poll will also request feedback from the general public.
- Temperament Testing is recognized by the CKC but testing is not put on by the CKC. Suggested we have an “Education Night” of information on what to expect at the testing and to promote the testing. We will host it in the spring of 2019. Toby offered her 5 acres at Okotoks for a South venue and Donna offered her 2 acres at Rocky View for a North venue. This event must be held outdoors on a plot of land the size of a baseball field.

AKC:

- The CADF tent at the AKC Summer Dog Show went well. Four people picked up membership forms and two have been in touch with CADF. The tri-fold brochure was the best received by participants. Rat Terriers, Shelties, Staffordshire Terriers, and Great Dane clubs all participated. Next year it is recommended that someone from CADF be in the booth at all times, the tent have one table only, and to limit the number of dogs to two small or one large.
- CADF voted in favor of a Bronze Sponsorship AKC for 2019 for \$500. This sponsorship includes an AKC provided ringside banner at the winter and summer shows, a half page b/w ad in the AKC show catalogue, logo placement on the AKC website, recognition on AKC social media, and a 10 x 10 tent at the AKC Summer Dog Show. It was suggested we request AKC wait for payment until January 2, 2019. Becky Kinsey moved to accept, Dietlinde Wall seconded (AIF).

Old Business:

- CADF flyers are being printed and will be ready September 10. PetLand has agreed to post 10 posters in stores and if the feedback is positive, will post in more stores. We will distribute the remaining posters to vet clinics, pet stores, etc.
